Dear Joyce Tallman:

CONGRATULATIONS!!

In recognition of your achievements in 2005, we are extremely pleased to award **The Prestige Award**. Unicoi Springs Camp Resort has attained a Coast's/Woodall's Rating of 4 Diamond "W" in facilities and a 5 Diamond "W" in recreation for the year 2005. Yours is one of 43 Coast to Coast affiliated resorts who have attained this distinction, placing you in the company of the top 15% of the total Coast to Coast system who are at this high level of achievement.

As you know, the Woodall's Representative Team raters were contracted to visit all Coast to Coast affiliated resorts in 2004 to further our ongoing efforts to establish a meaningful and reliable "quality yardstick" for resorts in the Coast system. We have attached a copy of your actual rating form for 2005 and an overview sheet to further explain the new rating system. If you have questions about the program please contact your regional director. The Woodall's raters are already on their way to visit your resort for the 2006 season.

Your investment in the physical development of your resort, personnel, recreation programs and maintenance is clearly reflected by these ratings. These ratings are not easy to attain – nor are they easy to keep. We truly appreciate your continued commitment.

The entire Coast to Coast management and staff, as well as the Woodall's management, offer our congratulations on this outstanding achievement for your resort. We know this is a result of your continued commitment to hard work, attention to detail and the group efforts of owners, managers, and your entire staff.

Best wishes for your continued success. We here at Coast to Coast thank you for providing a quality experience for the entire Coast to Coast reciprocal use system.

Sincerely,

MARCOS STRAFACCE
